CHEERLEADING PROGRAM

Through our different levels of cheer at Maumelle Gymnastics and Cheer we provide a safe and exciting atmosphere where kids can explore the world of cheerleading. Our cheer classes provide students with all of the fundamentals necessary to be a great cheerleader on any level. Along with life long skills such as strong work ethics, time management, sportsmanship, teamwork and respect, our classes teach cheer, motion, jump, tumbling, and dance techniques.

CHEER BASIC

School age girls learn the basic fundamentals needed for cheerleading. Motion technique, cheers, dance, jumps and tumbling are all a part of these classes.

DEMO SQUAD

Invitation only demonstration cheer and tumbling squad performs at local events such as Fourth Fest, IHM Karnawal, Family Fest, and more.

TUMBLING

These classes teach various levels of tumbling skills, such as **back handsprings**. Conditioning and flexibility exercises are used for adding strength and range of motion to help make any gymnast a better tumbler. This class is a great way to enhance skills for cheerleading or for that gymnast that just loves to tumble!

STARS EXTREME

Tryouts are in the Spring
This squad competes at cheer competitions around the state.
